PATHOLOGY LABORATORY

Haveli Road, Opp C. J. Hospital, Surendranagar - 363001, Ph. 02752 - 228856

we have used the inPacim and ImPacim material of Imax Engineering for preventing condensation in the floors below and above our MRI room. The suggestion of the materials and their application thereafter has helped us achieve our final goal.

we are happy with the Services provided for the same.
